Abstract

This abstract says what the text is about: paragraphs, lists, a theorem, a figure and a quotation, each one a node of its own.

1 Lists

Paragraph 1 before the list: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 1 before the list: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 2 before the list: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 2 before the list: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 3 before the list: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 3 before the list: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 4 before the list: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 4 before the list: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

- Item 1 of the list: the quick brown fox jumps over the lazy dog, again and again, for item 1.
- Item 2 of the list: the quick brown fox jumps over the lazy dog, again and again, for item 2.
- Item 3 of the list: the quick brown fox jumps over the lazy dog, again and again, for item 3.
- Item 4 of the list: the quick brown fox jumps over the lazy dog, again and again, for item 4.
- Item 5 of the list: the quick brown fox jumps over the lazy dog, again and again, for item 5.
- Item 6 of the list: the quick brown fox jumps over the lazy dog, again and again, for item 6.

Paragraph 5 after the list: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 5 after the list: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 6 after the list: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 6 after the

list: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 7 after the list: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 7 after the list: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 8 after the list: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 8 after the list: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

1. Step 1: the quick brown fox jumps over the lazy dog, then step 1 is done.
2. Step 2: the quick brown fox jumps over the lazy dog, then step 2 is done.
3. Step 3: the quick brown fox jumps over the lazy dog, then step 3 is done.
4. Step 4: the quick brown fox jumps over the lazy dog, then step 4 is done.

Paragraph 9 of the middle: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 9 of the middle: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 10 of the middle: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 10 of the middle: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 11 of the middle: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 11 of the middle: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 12 of the middle: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 12 of the middle: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Theorem 1. *Every paragraph end is a cut. The quick brown fox jumps over the lazy dog.*

A second paragraph of the theorem, still inside its environment.

Proof. By the nest: a region may leave groups open and close groups it did not open. □

2 Quotations

Paragraph 13 of the second section: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 13

Figure 1: A figure with a caption: an empty frame.

of the second section: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 14 of the second section: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 14 of the second section: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 15 of the second section: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 15 of the second section: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 16 of the second section: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 16 of the second section: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 17 of the second section: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 17 of the second section: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 18 of the second section: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 18 of the second section: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

> A quotation of two paragraphs. The quick brown fox jumps over the lazy dog, said someone once.
>
> The second paragraph of the quotation, indented on both sides.

Paragraph 19 at the end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 19 at the end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 20 at the end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 20 at the end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 21 at the end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 21 at the

end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 22 at the end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 22 at the end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 23 at the end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 23 at the end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 24 at the end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 24 at the end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 25 at the end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 25 at the end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 26 at the end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 26 at the end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 27 at the end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 27 at the end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 28 at the end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 28 at the end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 29 at the end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 29 at the end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.

Paragraph 30 at the end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins. Paragraph 30 at the end: the quick brown fox jumps over the lazy dog, and then it rests for a while before the next sentence begins.
