1 First

See section ?? on page ??, the web at `http://example.org/a/very/long/path/that/goes/on`, and a link whose text is long enough to run over the end of this line and onto the next one.

1.1 Inside

Text. to the target and here.

2 Second

Some words. This link starts near the bottom of the page and its text keeps going for a while, over several lines of text, so that the page ends inside it and it ends on the next page after some more words and more words and more words and even more words and words. After it.

2.1 Third

Footnote[1] and more.

[1] A note.
